Here's What People Are Saying About Rockport:

"I toured several communities. Rockport was so clean and the residents were smiling and happy!"

"I loved all the natural light from the large windows in the apartments, as well as throughout the community."

"The residents were talking with each other and said 'hello' to me. I love the warmth I received when touring Rockport. It felt like 'home' to me."

Additional Services Available

For residents needing additional services, our Assisted Living services can be customized and added to meet each resident's needs.

- Bathing assistance
- Medication management and set up
- Morning and evening assistance with activities of daily living
- Transportation to meals and activities
- Add-on services customized to your needs

Rockport offers beautiful, spacious suites that encompass a large, fenced-in courtyard and garden. There are three panel windows in the studios and six panel windows in the one-bedroom apartments—all providing plenty of natural light and fresh air.

Many of our employees have been with us since the beginning in 1995. They are dedicated and compassionate. Someone is available 24 hours a day.

Rockport is conveniently located in Rocky River, Ohio—a beautiful, tree-lined community only 10 minutes west of Cleveland and near Westgate shopping center.
